Dara Community Living Strategic Plan 2019 - 2022

Ordinary lives, in ordinary places, doing ordinary things

Our Three Most Important Things to Work On

1. A Good Life

- *Individual support for each person*
- *Support to be in Valued Social Roles*
- *Work to find a new home for some people*

2. Self Directed Services

- *Work in partnership with people & their families to manage their services*
- *Provide resources to help people & their families to self direct*
- *Get funding to provide Brokerage Services*

3. Governance

- *Use the resources to best benefit the people we support and ensure robust financial governance*
- *Provide quality services*
- *Continue to invest in staff development*
- *Good working relationships*
